Why not join us for a walking weekend in this beautiful part of England? Come and meet the team who make up 'Walks Worldwide', have a chat about ideas for future trips and enjoy a wonderful day out walking in the hills and dales that surround our picturesque Yorkshire village of Ingleton. Maybe treat it as a pre-holiday training trip or just an excuse to come and enjoy some real ale in our local country pubs! There is some excellent walking on the doorstep – the famed Waterfalls Walk through spectacular gorges with stunning waterfalls (this 3-4hr trail ends just outside our office!) or hike up majestic Ingleborough mountain at 723m for dramatic views of the limestone peaks and scenery from the Dales to the Irish Sea. For other activities Britain's longest cave, White Scar Cave is just outside the village on the road to Hawes and Wensleydale. The scenic villages of Dent and Sedbergh are within easy reach by car and a shorter five minute drive brings you to the impressive Ribbleshead viaduct over which the famous Settle to Carlisle railway runs. And the endless options in the Lake District begin only 30 minutes away.

The plan will be for you to arrange your accommodation independently for the weekend (or stay longer....?). There is a wide range of accommodation from self-catering cottages and caravans, inns, B&Bs and country hotels. Check out www.ingleton.co.uk or www.visitingleton.co.uk or www.yorkshire-dales.com/ingleton.html, or refer to the enclosed accommodation list. The village itself is packed with guesthouses, most of them centrally located (it is a small village!) and for pubs 'The Wheatsheaf Inn' is the closest to the office and is family friendly. Some accommodation accepts pets

so feel free to bring the four legged hound along to meet our friendly 'Walks Worldwide' Airedale! *Once you have arranged your accommodation please complete the enclosed form and post it back to us in the envelope provided.* There will be a casual get-together on the Friday evening at the aforementioned 'Wheatsheaf Inn' at 9.30pm for those who have beaten the traffic. Otherwise we will arrange to meet at 9am at the Walks Worldwide office in the main square in Ingleton on the Saturday morning. Please bring a packed lunch and provisions for the day. We can then discuss possible walks

taking into account varying fitness levels (and the weather!), then head off for a fabulous day in the hills. We will return late afternoon in time for a quick shower before meeting up again at 6pm for a slide show. A variety of destinations will be covered to give you a good idea of how a Walks Worldwide holiday works but please do advise us if you have a specific country you are interested in travelling to and we can ensure that this is included in the show (if possible!). Many of the countries we feature in the brochure have been visited by a member of staff so it will be an invaluable opportunity to ask questions and find out impressions of far off lands.

After the slide show, which we will aim to complete by 7.30pm we arrange food at the venue of the slide show.

Sunday will be left free or further activities arranged to suit requests.

Please note that on Sunday 22nd July you can walk across the Ribbleshead viaduct. However you do need to book these tickets in advance (cost £15 pp). Please visit www.ribblesheadwalk.co.uk
